Icon Style

WorldFirst’s icon design draws inspiration from the **WorldFirst Brandmark**, incorporating elements from the **Gradient Belt** and **rounded corners** to embody **inclusive growth** and **approachability** across communications.

BRANDMARK

ICON

Iconography

Icon Design

Grid

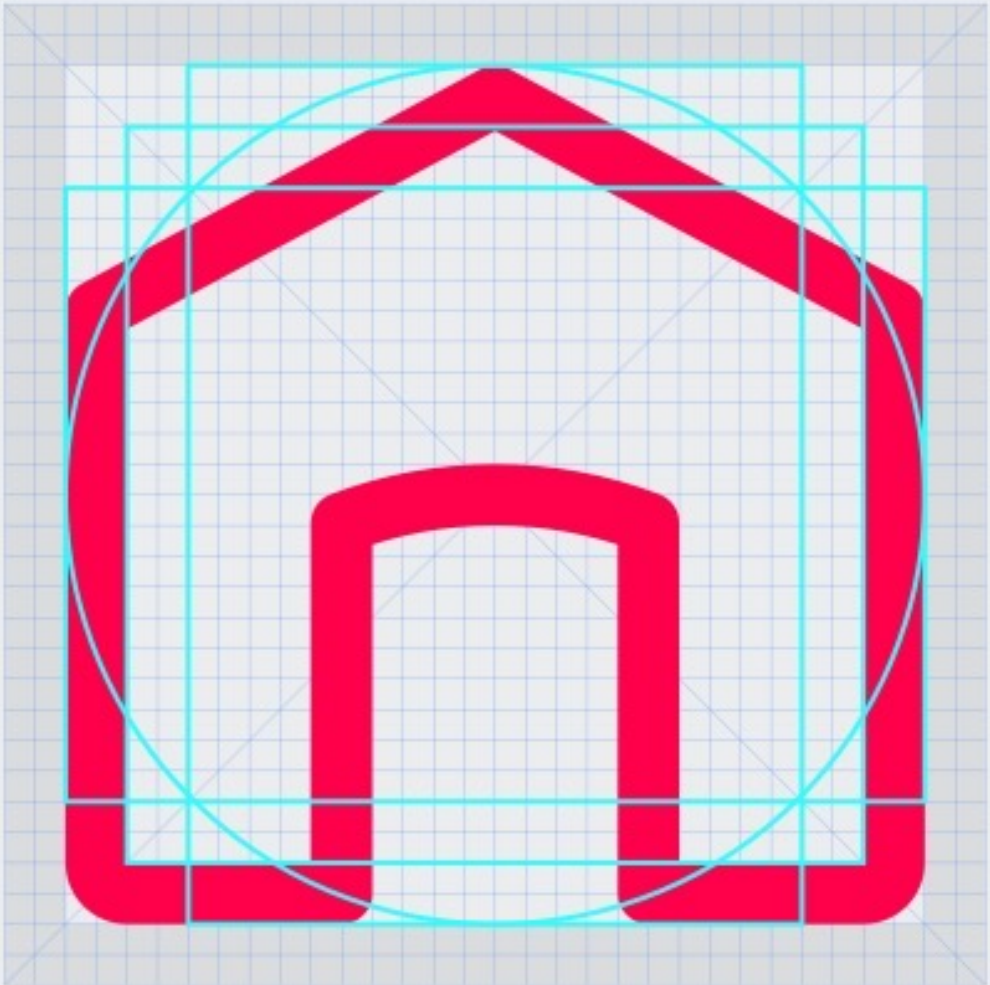

Design within a 32px x 32px base grid.

Padding

Maintain 2px padding on all sides.

Stroke

Use a 2px stroke width consistently, featuring Round Cap and Round Join.

Iconography

Icon Library

Icons are available in a series of core color variants—**Primary, Reverse White, Duotone, and Red Circular**.
